

**first baptist
NEW ORLEANS**

IN THE EVENT OF A STORM

It is the policy of First Baptist New Orleans to close the church office and cancel all programming when the Orleans Parish School System closes and/or when the mayor of New Orleans calls for a voluntary evacuation.

In the event of the landfall of a hurricane near the New Orleans area, please continue to check the First Baptist New Orleans website for updates on our church, our congregation, and our city. We will also use the First Baptist New Orleans Facebook group to communicate with each other.
